

THUNDERRIDGE SELECT DRESSES MEMO

Dear ladies and parents:

Welcome to ThunderRidge Select Choir. This is a brief note explaining our dresses this year. The ladies chose the Sonoma from Stage Accents (www.stageaccents.com) many years ago and to keep things simple we will continue with this tradition. The cost of the dress is \$67. Shipping and handling is \$12 for online orders and \$15 for called in orders (if you order with someone else whom you trust it will help ease the shipping cost).

The dresses are returnable within thirty days, but the company charges a significant amount for shipping. Therefore, getting the correct size the first time is advisable. The company cautions that their sizes may not be the same as your normal size (typically if you wear a size 6 dress then you would want a size 8) and measurements need to be most accurate through the bust seeing as the dresses are empire waisted. There is a size chart available when you are on the correct dress type. Moms, please measure your daughter at home and order directly through Stage Accents. The dresses are a stock item, therefore you do not need to reference TRHS when purchasing them. This also means that they would charge me the same amount to order a large quantity as they charge you to order an individual dress. To negate the hassle of me taking measurements, placing orders, and collecting money, I ask that you purchase the dresses directly from Stage Accents.

P.S. When the dresses arrive hemming will probably be necessary so allow enough time to have this done.
Any questions? Email me at ryan.wolterstorff@dcsdk12.org.

Thanks

Mr. Wolterstorff
